Sir,

Sub: PS APPOINTMENT - National Extension Service - Mileshwar Block - Additional U.D.C. - sanction of.

Ref: G.O.Ms.No.562. dated 15-2-56.

-:0:-

In the G.O.cited sanction has been accorded for the retention of the usual staff in the National Extension Service Mileshwar Block upto 28-2-57. At present there is no Upper Division Clerk in Mileshwar Block as in the case of other Blocks in this District. The Block Development Officer Mileshwar applies for the sanction of a Upper Division Clerk to his office to cope with the increase of work. A copy of his report is enclosed. His report is self explanatory. In the circumstances reported by him I recommend that sanction may be accorded for the appointment of a Upper Division Clerk to the Mileshwar Block for a period of one year or till the necessity ceases whichever is earlier.

Yours faithfully,

for Collector.

Copy of ref.9/55-A dated 5-2-56 from the Block Development Officer, Kasaragod to the Collector of South Kanara, Mangalore.

Sub: DEVELOPMENT - Kasaragod Block - Increased work - additional V.D.C. Requested.

This Block was inaugurated on 1-10-55 and the staff for the Block was sanctioned in G.O.Ms. No.2690 Public (PDF) dated 27-8-55.

The sanctioned strength for office work is only one Accountant and one Typist-cum-clerk. Experience has shown this skelton staff is not able to cope up with the work in this Office.

The No. of original currents dealt with of the Accountant of this office since incention is given below:-

October 55 - 120
November 55 - 210
December 55 - 203
January 56. - 200

There are 34 periodicals also to be submitted to the Collector of South Kanara, Government and District Officers etc.

The special staff sanctioned for loans are fresh recruits selected through Employment Exchange and they are not able to help in any other work of the office. In fact a good portion of Accountant's time is spent on instructing them regarding loan work, apart from typing the Typist-cum-clerk who is also a new Service Commission hand is able to attend to only Records and Stationery.

Sale of Khadi has also started in this Block and a No. of registers have to be maintained and periodicals to be submitted hence forward.

Unlike other Blocks of 1955-56, 8 villages of this Block with more than 50% of the population was under Sullia V.P.C. Blocks and even when the new Block was inaugurated there was a few sanctioned work and others pending sanction. The few sanctioned strength of staff excepting S.T.Cs have joined duty.

In addition to this the allotment under L;D.works to this Block during the current financial year is Rs. 25,660/- and seven sanctioned works are in progress, and there is one road work under Cooperative Road Development Scheme. Separate set of registers of Expenditure have to be maintained for L.D. works.

All the above are apart from the normal duties of the Accountant-cum-Storekeeper regarding the maintenance of various cash books and registers prescribed under N.E.S. and preparation of Bills etc. Under the circumstances I submit that one more V.D.C., may be sanctioned to this Block at an early date.

Sub: ESTABLISHMENT -N.E.S.Blocks -Nileshwar Block in South Kanara District -Upper Division Clerk- Sanction of.

Ref: From the Collector of S.Kanara C.No.9619/56 M3 dated 30.3.1956.

Please see the reference from the Collector of South Kanara together with its enclosure in the C.F. The B.D.O. Nileshwar has requested that sanction may be accorded to the employment of a Upper Division Clerk in his Office for a period of one year.

At present one Accountant-cum-Storekeeper and one Typist-cum-clerk are employed in the Office of the B.D.O. The B.D.O. has stated that this staff is inadequate to attend the work in his office as the work is increasing day by day. The total number of currents received by the Accountant during the months of October, November, December and January is 733 and this works out an average of 7 currents per day. Further the Accountant-cum-Storekeeper has to maintain accounts and several registers. The Typist-cum-clerk cannot also be termed as a full time clerk as he has to attend to typing, comparing and despatching and other routine work. Hence both of them cannot be termed as full time clerks for attending to corresponding work. In the circumstances, the B.D.O. has requested that a post of a U.D.Clerk may be sanctioned for the block. The Collr. of S.Kanara has recommended the proposal. It is submitted in this connection that for all other blocks except the N.E.S.blocks of 1955-56 series, a post of U.D.Clerk has been sanctioned in addition to the post of Accountant-cum-Storekeeper and Typist-cum-Clerk. In the circumstances, it is for orders whether a post of U.D. Clerk may be sanctioned upto 28.2.1957 for the Nileshwar block.

Subject to orders a draft order is submitted below for approval. Finance may see before issue.
